

## 2023 Vintage Cellaring Guide

Lambert Bridge's Vintage Cellaring Guide provides an indication of how the wines in your cellar are aging now and over the next year. Keep in mind each person's palate is different; for example, if you enjoy the vibrant aromas of apple, plum, cherries and pomegranate in our wines, enjoy your wines sooner. If you prefer notes of oak, sweet tobacco, dark spices, and velvety tannins, hold a little longer.
